

Chuandong Wu, BA, MS

**Senior Scientist
of Non-clinical Science**

JOINN Laboratories (Suzhou)

**CHUANGDONG WU SERVES AS SENIOR SCIENTIST
OF NON-CLINICAL SCIENCE AT JOINN LABORATORIES (SUZHOU)**

Mr. Wu received a Bachelor and Masters Degrees in veterinary medicine from Yangzhou University. He has over 12 years of experience with toxicological safety evaluation of drugs. His research disciplines include safety evaluations of vaccines, ophthalmic drugs, gene therapy drugs and antitumor drugs.

As a Study Director, he participated in more than 400 pre-clinical toxicological studies, including many toxicological vaccine studies. Chuandong is familiar with GLP regulations, including NMPA, FDA, OECD and EMEA. He assisted in more than 20 inspections from the National Medical Products Administration and/or the Jiangsu Province Medical Products Administration.
