

YANLIN ZHANG SERVES AS VICE PRESIDENT & FM AT JOINN LABORATORIES (SUZHOU)

Mr. Zhang serves as member of the Reproductive Toxicology Professional Committee of the Chinese Society of Toxicology and JOINN Scientific Committee. He has more than 10 years of experience with drug safety evaluation.

Yanlin completed more than 150 studies related to preclinical safety evaluation as a Study Director and was involved in preclinical safety evaluations of more than 70 new drugs as a project leader. He is extremely experienced in evaluations of biological products, especially in the evaluation of antibody drugs, cell therapy drugs and juvenile toxicology.

Yanlin Zhang

Vice President and FM

JOINN Laboratories (Suzhou)
