

Dongxia Zhang, BA, MS

Director of Toxicology

JOINN Laboratories (Beijing)

DONGXIA ZHANG SERVES AS DIRECTOR OF TOXICOLOGY AT JOINN LABORATORIES (BEIJING)

Ms. Zhang received a Master Degree from Yangzhou University in 2010. She has over 10 years of extensive experience with non-clinical safety evaluation and has received Chinese Diplomat of Certified Toxicologist (DCST).

Her research discipline of non-clinical safety evaluation includes vaccines, metabolic drugs, ADC drugs, cell therapy drugs, oncolytic virus and special route of administration projects (including transdermal administration, joint cavity injection, bladder perfusion).

Her career involved hundreds of safety evaluation studies with many receiving approval of the National Medical Products Administration (NMPA) and the U.S. Food and Drug Administration (FDA) entering clinical trials. Dongxia is familiar with various GLP regulations and guidelines, including U.S. FDA, OECD, EMEA and NMPA.
